

My Communication—Literacy

In Literacy, we will be reading texts' about the pupils as super hero's and different superhero's. We will be writing I see sentences about the texts, using communication boards to comment who's doing what and matching their super hero's to names and symbols.

Focus texts: Poppies save the world, supotato

Ways to support at home— read and watch superhero songs and video's , recognise and give praise to their skills

My Body —PE

In PE students will work on developing their body awareness of how movements in sports and everyday situations are to be performed. They will explore how their bodies move at a low level on mats and small equipment to develop skills such as balancing, crawling, bouncing and coordination.

Me & My Community—PSHEEC

In PSHEEC we will be focusing on learning more about ourselves, identifying our and others likes, dislikes, skills and what we look like; as well as creating superheo fact files.

Ways to support at home— look in the mirror talk about what features we have and point out how we all have similarities and differences. Explore new activities to broaden what they may like to do.

My Thinking—Numeracy

In Maths, we will be focusing on shapes in the environment and number. In shape we will learn to recognise shapes all around us as well as improving our manipulation, fine motor and spatial awareness skills. In number we will focusing on 1:1 correspondence be practising our counting skills counting out different objects .

Ways to support at home—

Engage in shape activities such as building lego, stacking cups, completing puzzles.

My Thinking—Computing

In ICT we will be focusing on digital art and design. We will be designing our own superhero's using different apps. We will also make a superhero tune by recording ourself and music.

My Creativity—Creative Arts

During creative arts sessions we will be using different items to create self-portraits such as playdough, pens, paint, tissue paper, felt and stickers. We will be using communication resources to comment on what facial features we have.

How my World Works—RE

In R.E we will be learning about important figures in religion. We will be focusing on Christianity, Islam and Judaism. We will explore the important values these people present.

How my World Works—Science

In science we will be learning about how to keep ourselves healthy. We will engage in range of activities such as following a schedule to join in an exercise session, identify healthy and unhealthy foods, explore and taste different foods and label parts of the body.
